Rep. Martin Howrylak, from the 41st District, offered the following invocation:

“God of justice and mercy, thank You for the gift of life, and the opportunity to serve the people of our state. Help us to act with character and conviction; help us to listen with understanding and good will; help us to speak with charity and restraint. Give us a spirit of service. Remind us that we are stewards of Your authority. Guide us to be the leaders Your people need. Help us see the humanity and dignity of those who disagree with us, and to treat all persons, no matter how weak or poor, with the reverence Your creation deserves. And finally Father, renew us with the strength of Your presence and the joy of helping to build a community worthy of the human person. We ask this as Your sons and daughters, confident in Your goodness and love. Amen.”

Motions and Resolutions

Reps. Roberts, Barnett, Brown, Darany, Durhal, Geiss, Howrylak, Slavens, Talabi and Tlaib offered the following resolution:
House Resolution No. 65.

A resolution to declare March 2013 as Multiple System Atrophy Awareness Month in the state of Michigan.

Whereas, Multiple system atrophy is a progressive neurodegenerative disorder that affects the autonomic functions of the body; and

Whereas, Multiple system atrophy is caused by degeneration or atrophy of nerve cells in a part of the brain, which can result in problems with movement, balance, and autonomic functions of the body; and

Whereas, The symptoms of this rapidly advancing disease can occur in any combination, from loss of balance and coordination, fainting due to low blood pressure, swallowing difficulties, breathing problems, and rigidity and tremors similar to Parkinson’s Disease or Amyotrophic Lateral Sclerosis (ALS); and

Whereas, Multiple system atrophy generally affects middle-aged men and women and advances rapidly with the progressive loss of motor skills and eventually confinement to bed and death; and

Whereas, Recent research suggests that five per 100,000 people are affected by the disease; and

Whereas, People rarely live past 15 years with multiple system atrophy; and

Whereas, There is no remission from multiple system atrophy and currently no cure; and

Whereas, The current lack of awareness of multiple system atrophy leads to misdiagnosis and mistreatment; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2013 as Multiple System Atrophy Awareness Month in the state of Michigan. We urge increased public awareness of this progressive neurodegenerative disorder that affects the autonomic functions of the body.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Townsend, Barnett, Brown, Darany, Denby, Durhal, Geiss, Roberts, Slavens, Talabi and Tlaib offered the following resolution:

House Resolution No. 66.

A resolution to declare April 2013 as Multiple Birth Awareness Month in the state of Michigan.

Whereas, The National Organization of Mothers of Twins Clubs, Inc., Twins Magazine and the Fetal Hope Foundation have joined with local organizations to establish and celebrate April 2013 as the 5th Annual National Multiple Birth Awareness Month; and

Whereas, Multiple births have been on the rise over the past decades. The number of live births in twin deliveries rose 70 percent between 1980 and 2004 and since has remained fairly stable. In the 1980’s and 90’s, twin birth rates rose 80 percent for women in their thirties and 190 percent for mothers aged 40 and over. Since the mid-2000’s that rate has leveled off. In 2010, there were 132,562 twin births, 5,503 triplets, 313 quadruplets and 37 higher order multiples born nationwide; and

Whereas, With the increase in multiple births, there is an increased risk for the mothers and babies. Nationally, one out of every 8 twins and one out of every 3 triplets are born very preterm, compared with fewer than 2 out of every 100 single births. Death during infancy is 8 times more common for multiples than singletons; and

Whereas, This month will be used to spread awareness about the issues that families of multiple births face, including; what to know when expecting multiples Twin-to-Twin Transfusion Syndromes and other fetal issues directly affecting multiple birth pregnancies, premature births and low birth weights, multiples with special needs, the exceptional physical and bonding demands placed on parents, and the separation of multiples in classrooms; and

Whereas, There are many local support groups for parents of multiples. The Michigan Organization of Mothers of Twins Club was founded in 1964 and has many local clubs throughout the state for parents or expectant parents to get involved.

Many of these clubs are planning events throughout their communities during this month to celebrate their families, increase participation, and help out other families in need; and

Whereas, By raising awareness of multiple births, this month also encourages parents of multiples or who are expecting multiples to seek out the resources and support found with local mothers of twins clubs, through their prenatal care provider, pediatrician, local hospital, the Michigan Organization of Mothers of Twins Clubs, or friends and family. These clubs are established to serve parents or guardians of multiple birth children through education, research and networking; and

Whereas, We join with the many parents of multiples to celebrate the joys and challenges they face in raising their twins, triplets or more and support efforts to educate our communities about the needs and challenges of multiple birth children; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative declare April 2013 as Multiple Birth Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Lyons, Foster, Nesbitt, Cotter, Knezek, Schor, Walsh, Barnett, Brown, Crawford, Darany, Denby, Durhal, Geiss, Heise, Howrylak, O'Brien, Poleski, Roberts, Slavens, Talabi and Tlaib offered the following resolution:

House Resolution No. 67.

Whereas, The members of the Michigan House of Representatives are dedicated to providing a quality education to all the children in Michigan; and

Whereas, The citizens of Michigan recognize reading is fundamental to children's education; and

Whereas, Research shows that children who read regularly, especially with adults, have greater success in schools; and

Whereas, Reading is essential to everyday life, both inside and outside of the classroom. Reading opens doors and allows children to explore the entire world and beyond. Reading is also a cornerstone to building productive contributing citizens; and

Whereas, We recognize and promote the importance of community and parental involvement in every child's success in school; and

Whereas, We are committed to making Michigan's children and America's children the best readers in the world; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2013 as Reading Month in the state of Michigan.

House Resolution No. 68.

A resolution to commemorate the 50th anniversary of *Gideon v. Wainwright*, the United States Supreme Court decision which guaranteed the right to an attorney for individuals accused of a crime.

Whereas, In that decision, the Supreme Court said "in our adversary system of criminal justice, any person hauled into court, who is too poor to hire a lawyer, cannot be assured a fair trial unless counsel is provided for him"; and

Whereas, Section 20 of Article I of the Michigan Constitution of 1963 guarantees that the accused shall have the right to the assistance of counsel for his or her defense; and

Whereas, The Sixth and Fourteenth Amendments to the United States Constitution guarantee indigent criminal defendants the right to counsel in all critical stages of a prosecution where the prosecution may result in the actual deprivation of the defendant's liberty, unless such right is voluntarily and intelligently waived, and these amendments also guarantee defendants in criminal prosecutions the right to effective assistance of counsel; and

Whereas, A strong indigent defense system ensures that those who are guilty are convicted, the innocent are protected, and our communities are kept safe; and

Whereas, Residents throughout the state agree that Michigan's current system needs to be strengthened; and

Whereas, The Indigent Defense Advisory Commission was created in 2011 and concluded its work in 2012. This Commission developed recommendations to help improve Michigan's public defense system and forwarded its recommendations to the Legislature for its consideration; and

Whereas, The 50th anniversary resonates today as the legislature works to create new standards for indigent defense to ensure that the rights of the accused are protected in Michigan; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 50th anniversary of *Gideon v. Wainwright*, the United States Supreme Court decision which guaranteed the right to an attorney for individuals accused of a crime; and be it further

Resolved, That we acknowledge the need for continued work on reforming Michigan's indigent defense system.

The question being on the adoption of the resolution,

Rep. McMillin moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 68.

A resolution to commemorate the 50th anniversary of *Gideon v. Wainwright*, the United States Supreme Court decision which guaranteed the right to an attorney for individuals accused of a crime.

Whereas, In that decision, issued on March 18, 1963, the Supreme Court said “in our adversary system of criminal justice, any person hauled into court, who is too poor to hire a lawyer, cannot be assured a fair trial unless counsel is provided for him”; and

Whereas, Section 20 of Article I of the Michigan Constitution of 1963 guarantees that the accused shall have the right to the assistance of counsel for his or her defense; and

Whereas, Residents throughout the state agree that Michigan’s current system needs to be strengthened; and

Whereas, The Indigent Defense Advisory Commission was created in 2011 and concluded its work in 2012. This Commission developed recommendations to help improve Michigan’s public defense system and forwarded its recommendations to the Legislature for its consideration; and

House Resolution No. 69.

A resolution to declare April 7-13, 2013, as Barbershop Harmony Week in the state of Michigan.

Whereas, The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. (SPEBSQSA), known now as The Barbershop Harmony Society, was officially organized April 11, 1938, in Tulsa, Oklahoma; and

Whereas, What began as a small group has steadily blossomed into the world’s largest all-male singing organization, an international organization of men from all stations of life; and

Whereas, The Barbershop Harmony Society is dedicated to the spread of harmony for the enjoyment of all people of the world through organizing and encouraging close-harmony singing groups; and

Whereas, The Barbershop Harmony Society encourages harmony amongst all people of the world through the universal language of music and has actively preserved and presented a distinct style of vocal music that originated in North America. The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Irwin, McMillin, Darany, Geiss, Howrylak, Talabi and Tlaib offered the following resolution:

House Resolution No. 70.

A resolution to urge the Congress of the United States to enact legislation that prohibits U.S. Customs and Border Protection from conducting stops and searches without probable cause outside the immediate vicinity of the border or its functional equivalent and that limits the scope of inquiries to border security purposes.

Whereas, U.S. Customs and Border Protection (CBP) asserts the authority to set up checkpoints and to conduct stops and searches without probable cause in border areas. Under federal law, the extended border area includes areas within a 100-mile distance of any external boundary of the United States; and

Whereas, The entire state of Michigan is located within the extended border area over which CBP asserts its powers. As a result, residents of Michigan are subject, at any time, to being stopped, questioned, or searched by CBP, anywhere in the state, without a warrant or probable cause; and

Whereas, The CBP has not confined the scope of the inquiries they conduct to matters relating to border security, instead conducting broad interviews and searches, including searching expressive materials and the contents of electronic devices; and

Whereas, The Fourth Amendment to the U.S. Constitution guarantees all Americans the right to be free of unreasonable searches and seizures. The application of extraordinary border security powers in areas far inland from the border and the failure to limit those powers to border security purposes are clear violations of Americans' constitutional rights and the freedoms upon which this country was founded; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States to enact legislation that prohibits U.S. Customs and Border Protection from conducting stops and searches without probable cause outside the immediate vicinity of the border or its functional equivalent and that limits the scope of inquiries conducted by U.S. Customs and Border Protection to border security purposes, such as immigration control, customs enforcement, and the interdiction of prohibited imports; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Judiciary.

The Speaker called Associate Speaker Pro Tempore O'Brien to the Chair.

Announcements by the Clerk

The Clerk received the following dissent on **House Bill No. 4069**, from Rep. Irwin:

I continue to object to the use of procedural tricks to subvert the Constitutional rights of citizens to know accurately the actions of the House of Representatives. Motions for immediate effect are routinely gaveled through without even a pretense of vote counting. This motion requires support from 2/3rds of the members and there is no genuine effort to ascertain the level of support for immediate effect. I object to this practice and I object to the erroneous assertions printed in the House Journal that suggest an authentic counting of votes occurred on the House floor.

The Clerk received the following dissent on **House Bill No. 4323**, from Rep. Irwin:

I continue to object to the use of procedural tricks to subvert the Constitutional rights of citizens to know accurately the actions of the House of Representatives. Motions for immediate effect are routinely gaveled through without even a pretense of vote counting. This motion requires support from 2/3rds of the members and there is no genuine effort to ascertain the level of support for immediate effect. I object to this practice and I object to the erroneous assertions printed in the House Journal that suggest an authentic counting of votes occurred on the House floor.
